NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 6, CITY OF AURORA, ADAMS COUNTY, COLORADO:

Section 1. Summary of 2026 Revenues and 2026 Expenditures. That the estimated revenues and expenditures for each fund for fiscal year 2026, as more specifically set forth in the budget attached hereto as Exhibit B and incorporated herein by this reference, are accepted and approved.

Section 2. Adoption of Budget. That the budget as submitted, and if amended, then as amended, and attached hereto as Exhibit B is approved and adopted as the budget of the District for fiscal year 2026. The District's accountant has made a good faith effort and used the best information available at the time of preparation of the budget to provide the District with alternative scenarios, if applicable, showing a proposed budget and mill levies for fiscal year 2026. Due to the significant possibility that the final assessed valuation provided by the Adams County Assessor's Office differs from the preliminary assessed valuation used in the proposed budget, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation, and/or any applicable revenue caps or limitations, including making any appropriate temporary property tax credit or temporary mill levy reduction, without the need for additional Board authorization.

Section 3. Appropriations. That the amounts set forth as expenditures and balances remaining, as specifically allocated in the budget attached, are hereby appropriated from the revenue of each fund, to each fund, for the purposes stated and no other.

Section 4. Budget Certification. That the budget shall be certified by the Secretary or an Assistant Secretary, if applicable, of the District, and made a part of the public records of the District and a certified copy of the approved and adopted budget shall be filed with the Division of Local Government.

Section 5. 2026 Levy of General Property Taxes. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the General Fund for operating expenses is \$-0- and that the 2025 valuation for assessment, as certified by the Adams County Assessor, is \$38,456,660. That for the purposes of meeting all general operating expenses of the District during the 2026 budget year, there is hereby levied a tax of 0.000

mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2026.

Section 6. 2026 Levy of Debt Retirement Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the Debt Service Fund for debt retirement expense is \$2,353,201 and that the 2025 valuation for assessment, as certified by the Adams County Assessor, is \$38,456,660. That for the purposes of meeting all debt retirement expenses of the District during the 2026 budget year, there is hereby levied a tax of 61.191 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2026.

Section 7. 2025 Levy of Contractual Debt Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for contractual debt expense is \$43,033 and that the 2025 valuation for assessment, as certified by the Adams County Assessor, is \$38,456,660. That for the purposes of meeting all debt retirement expenses of the District during the 2026 budget year, there is hereby levied a tax of 1.119 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2026.

Section 8. 2026 Mill Levy Adjustment. The Board may adjust the mill levy, as specifically set forth in the District's Service Plan (the "Adjusted Mill Levy"). The Board hereby determines in good faith to establish the Adjusted Mill Levy as set forth in the mill levy certification attached hereto as Exhibit C pursuant to the authority granted by its Service Plan to ensure that the District's revenues shall be neither diminished nor enhanced as a result of the changes affecting the mill levy. Subject to adjustment and finalization by the District's accountant in accordance with Section 2 hereof, the Board further authorizes that the Adjusted Mill Levy be reflected in the District's Certification of Tax Levies to be submitted to the Board of County Commissioners of Adams County on or before December 15, 2025 (or such other date as may be prescribed by law), for collection in 2026.

Section 9. Certification to County Commissioners. That the Board Secretary and/or District's accountant are hereby authorized and directed to immediately certify to the Board of County Commissioners of Adams County, the mill levy for the District hereinabove determined and set and provide such information as required by Section 39-1-125, C.R.S. **GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 6
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Court Order dated November 15, 2004, to provide financing for the construction and installation of regional public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District's service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City). The District was formed in conjunction with seven other metropolitan districts: Aerotropolis Area Coordinating Metropolitan District ("AACMD") (formerly known as Green Valley Ranch East Metropolitan District No. 1), Aurora Highlands Metropolitan District Nos. 1-3 (formerly known as Green Valley Ranch East Metropolitan District Nos. 2-4), Green Valley Aurora Metropolitan District No. 1 (formerly known as Green Valley Ranch East Metropolitan District No. 5), and Green Valley Ranch East Metropolitan District Nos. 7-8 (collectively the "Districts"). It is anticipated that the Districts will enter into an intergovernmental agreement which shall govern the relationships between and among the Districts with respect to the financing, construction, and operation of the regional public improvements. The District's service area is located in Adams County, Colorado, entirely within the City.

On November 2, 2004, the District voters approved a mill levy increase to generate property taxes of up to \$5,000,000 annually to pay, in part, the District's general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2005 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized for all services and improvements was \$2,405,000,000, but the District's service plan limits the total debt issuance to \$200,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the regional public improvements, and the repayment of the associated debt.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

**GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 6
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget.

For property tax collection year 2026, HB24B-1001 set the assessment rates as follows:

Category	Rate	Category	Rate
Single-Family Residential	6.25%	Agricultural Land	27.00%
Multi-Family Residential	6.25%	Renewable Energy Land	27.00%
Commercial	27.00%	Vacant Land	27.00%
Industrial	27.00%	Personal Property	27.00%
Lodging	27.00%	State Assessed	27.00%
		Oil & Gas Production	87.50%

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 4.50% of the property taxes collected.

Aurora Regional Improvements (ARI) Mill Levy/Aurora Regional Transportation Authority (ARTA)

The District entered into an Intergovernmental Agreement with the Aerotropolis Regional Transportation Authority (ARTA) (ARI Mill Levies IGA) which allows ARTA to directly impose the ARTA Mill Levy of 5.000 mills on all taxable property within the District for the purpose of providing funding for the planning, design, acquisition, construction, installation, relocation, and/or redevelopment of regional transportation improvements. The District will levy additional mills to account for any Assessment Rate Adjustment (as defined in the Service Plan), which is to be remitted to ARTA within 60 days of collection. Pursuant to the ARI Mill Levies IGA, for property tax collection year 2026, the District anticipates imposing a mill levy of 1.119 to be remitted to ARTA.

SCR will coordinate the payment of administrative expenditures for the District, which include the services necessary to maintain the District's viability such as legal, accounting, managerial, general engineering, insurance, meeting, and other administrative expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.50% of property tax collections

Debt Service

Interest payments have been budgeted on the Districts anticipated Series 2020A bonds per the attached amortization schedule.

Capital Expenditures

Capital expenditures are detailed on page 5 of the 2026 budget.

Debt and Leases

Senior Bonds

The District issued the General Obligation (Limited Tax Convertible to Unlimited Tax) Bonds, Series 2020A3 (Senior Bonds) on July 29, 2020, in the par amount of \$43,590,000. Proceeds from the sale of the Senior Bonds were used to: (a) pay Project Costs; (b) pay capitalized interest on the Senior Bonds; (c) fund an Initial Deposit to the Surplus Fund; and (d) pay costs of issuance of the Bonds.

The Senior Bonds were issued as two term bonds with the first bearing interest at 5.250% and maturing on December 1, 2032, and the second bearing interest at 5.875% and maturing on December 1, 2050. The Senior Bonds are payable semiannually on June 1 and December 1, beginning on December 1, 2020, to the extent of available Senior Pledged Revenue. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2028. To the extent principal of any Senior Bond is not paid when due, such principal shall remain outstanding until paid, subject to discharge. To the extent interest on any Bond is not paid when due, such interest shall compound semiannually on each Interest Payment Date, at the rate then borne by the Bond. In the event that any amount of principal

of or interest on the Bonds remains unpaid after the application of available Pledged Revenue on December 1, 2060, such unpaid amounts shall be deemed discharged

The Senior Bonds are subject to redemption prior to maturity, at the option of the District, on September 1, 2025, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium of 3% declining 1% per year for the next two years and no redemption premium thereafter.

The Senior Bonds are secured by and payable from Senior Pledged Revenue which means:

- (a) all Senior Property Tax Revenues;
- (b) all Senior Specific Ownership Tax Revenues;
- (c) all Capital Fees; and
- (d) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Senior Bond Fund.

Pursuant to the Senior Indenture, prior to the Conversion Date, the District has covenanted to impose a Senior Required Mill Levy upon all taxable property of the District each year in an amount that generates Senior Property Tax Revenues sufficient to pay the principal of, premium if any, and interest on the Senior Bonds when due (less any amounts then on deposit in the Senior Bond Fund and, solely as provided in the Indenture, the Surplus Fund), but not in excess of 50 mills (subject to adjustment described below). For so long as the amount on deposit in the Surplus Fund is less than the Maximum Surplus Amount, the Senior Required Mill Levy shall be equal to 50 mills (subject to adjustment), or such lesser amount that will generate Senior Property Tax Revenues (A) sufficient to pay the principal of, premium if any, and interest on the Senior Bonds when due and to fully fund the Surplus Fund to the Maximum Surplus Amount, or (B) which, when combined with moneys then on deposit in the Senior Bond Fund and the Surplus Fund, will pay the Senior Bonds in full in the year such levy is collected. In the event that the method of calculating assessed valuation is changed after January 1, 2004, the minimum mill levy of 50 mills and the maximum mill levy of 50 mills will be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted, are neither diminished nor enhanced as a result of such changes (for purposes of the foregoing, a change in the ratio of actual valuation to assessed valuation shall be deemed to be a change in the method of calculating assessed valuation).

The Bonds are additionally secured by capitalized interest which was funded from the proceeds of the Senior Bonds and by amounts, if any, in the Surplus Fund. Except for the Initial Deposit of \$4,359,000 from proceeds of the Senior Bonds, the Surplus Fund shall not be funded with proceeds of the Senior Bonds. Senior Pledged Revenue that is not needed to pay debt service on the Senior Bonds in any year will be deposited to and held in the Surplus Fund, up to the Maximum Surplus Amount of \$8,718,000.

Subordinate Bonds

The District issued the Subordinate General Obligation Limited Tax Bonds, Series 2020B(3) (Subordinate Bonds) in the par amount of \$3,035,000 on April 6, 2022. The Subordinate Bonds bear an initial interest

rate of 6.000% per annum until December 15, 2025, at which time the interest rate will increase to 8.000%. The Subordinate Bonds mature on December 15, 2050 and are payable to the extent of Subordinate Pledged Revenue available annually on December 15, commencing December 15, 2022. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date.
