NOW, THEREFORE, THE OFFICIAL CUSTODIAN MAKES AND ADOPTS THE FOLLOWING RULES WITH REFERENCE TO THE INSPECTION OF THE GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 14’S PUBLIC RECORDS:

1. Inspection of Public Records. All “Public Records” of the District, as such term is defined in Section 24-72-202(6), C.R.S., shall be available for public inspection by any person at reasonable times as provided in CORA, except as otherwise provided in CORA or as otherwise provided by law. A modification to a request for Public Records is considered a new request.

2. Notification for Inspecting Public Records Not Under Control of the Official Custodian. If the Public Records requested are not in the custody or control of the Official Custodian, the Official Custodian or his or her designee shall notify the person requesting to inspect such records that said records are not in the custody or control of the Official Custodian. The notification shall state in detail to the best of the Official Custodian's knowledge and belief, the reason for the absence of the records, the location of the records, and what person has custody or controls the records.
3. Notification for Inspecting Public Records in Use or Otherwise Unavailable. If the Public Records requested are in active use, in storage, or otherwise not readily available at the time requested, the Official Custodian or his or her designee shall notify the person requesting to inspect the Public Records of the status of the Public Records. Upon receipt of such payment, the Official Custodian or his or her designee shall send a copy of the Public Records to the requester as soon as practicable but no more than three (3) business days after receipt of, or making arrangements to receive, such payment.
5. Fees for Copies of Public Records. The Official Custodian or his or her designee shall furnish, for a fee as set forth herein, a copy, printout, or photograph of the District's Public Records requested. The fee shall be twenty-five cents (\$0.25) per standard page, or such other maximum amount as authorized by Section 24-72-205(5), C.R.S., for a copy, printout, or photograph of the Public Record except as follows:

 - b. When the format is other than a standard page, the fee shall not exceed the actual cost of providing the copy, printout, or photograph;
 - c. If other facilities are necessary to make a copy of the Public Records, the cost of providing the copy at the other facilities shall be paid by the person requesting the copy;
 - d. If the Public Records are a result of computer output other than word processing, the fee for a copy, printout, or photograph thereof may be based on recovery of the actual incremental costs of providing the electronic services and products together with a reasonable portion of the costs associated with building and maintaining the information system;

- e. If, in response to a specific request, the District has performed a manipulation of data so as to generate a record in a form not used by the District, a reasonable fee may be charged to the person making the request, which fee shall not exceed the actual costs of manipulating the data and generating the record in accordance with the request; and
 - f. Where the fee for a certified copy or other copy, printout, or photograph of a Public Record is specifically prescribed by law, that specific fee shall apply in lieu of the fee(s) set forth herein.
6. Transmission Fees. In addition to the fees set forth above, where the person requesting the Public Record requests the transmission of a certified copy or other copy, printout, or photograph of a Public Record by United States mail or other non-electronic delivery service, the Official Custodian or his or her designee may charge the costs associated with such transmission, except that no transmission fees may be charged to the records requester for transmitting a Public Record via electronic mail.
 7. Research and Retrieval Fees. In addition to the fees set forth above, in accordance with Section 24-72-205(6), C.R.S., the Official Custodian or his or her designee may charge a research and retrieval fee of \$33.58 per hour, or such other maximum hourly fee as may be adjusted from time to time pursuant to Section 24-72-205(6)(b), C.R.S., for time spent by the District's directors, employees, agents, and consultants researching, retrieving, gathering, collecting, compiling, preparing, redacting, manipulating, and/or otherwise producing records in order to respond to a request for Public Records. Provided, however, that such research and retrieval fee may not be imposed for the first hour of time expended in connection with such research and retrieval activities related to a request for Public Records, but may be imposed for each subsequent hour.
 8. Payment of Fees. All fees associated with production of the District's Public Records requested by the person inspecting said Public Records, as set forth in Paragraphs 4 through 7 above, shall be received by the District before the delivery or inspection of said Public Records. If the District allows the public to pay for other services or products provided by the District with a credit card or other electronic payment method, the District shall allow the person requesting inspection of the Public Records to pay any fees or deposit associated with a record request via a credit card or other electronic payment method. In addition to the fees set forth in Paragraphs 4 through 7 above, the Custodian or his or her designee may also charge any service charge or fee imposed by the processor of a credit card or electronic payment.
 9. In Force Until Amended or Repealed. These rules of the Official Custodian shall remain in full force and effect unless and until such time as they are amended or repealed by the Official Custodian regardless of any change in either the individual serving as, or the designation of, the Official Custodian of the District.
 10. Repealer. These rules of the Official Custodian shall supersede all previous versions of

rules, regulations, practices and policies of the District related to inspection of Public Records.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Green Valley Ranch East Metropolitan District No. 14 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court for Adams County on November 21, 2022, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The organization was approved by eligible electors of the District at an election held on November 8, 2022. The District was organized in conjunction with Green Valley Ranch East Metropolitan District Nos. 9-13.

At a special election of the eligible electors of the District on November 8, 2022, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the planning, design, acquisition, construction, installation, relocation, redevelopment, operations and maintenance of the public improvements within the District including streets, parks and recreation, water and wastewater facilities, transportation, mosquito control, safety protection, fire protection, television relay and translation, and security.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contracted.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
