**GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 9
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Green Valley Ranch East Metropolitan District No. 9 (the “District”), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court for Adams County on November 21, 2022, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The organization was approved by eligible electors of the District at an election held on November 8, 2022. The District was organized in conjunction with Green Valley Ranch East Metropolitan District Nos. 10-14.

At a special election of the eligible electors of the District on November 8, 2022, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the planning, design, acquisition, construction, installation, relocation, redevelopment, operations and maintenance of the public improvements within the District including streets, parks and recreation, water and wastewater facilities, transportation, mosquito control, safety protection, fire protection, television relay and translation, and security.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contracted.

Revenues

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Bond Issuance

The District anticipates issuing general obligation bonds. Bond proceeds will be used to pay infrastructure costs, bond issue costs, and capitalized interest. Significant terms of the bond issuance will be determined at the time of issuance.

**GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 9
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance and meeting expenses.

Capital Outlay

The District anticipates infrastructure improvements as noted in the Capital Projects Fund.

Debt and Leases

The District anticipates issuing general obligation bonds in 2024.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since all funds received by the District are from developer advances, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.
