**GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 8
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Court Order dated November 15, 2004, to provide financing for the construction and installation of regional public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District's service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City). The District was formed in conjunction with seven other metropolitan districts: Aerotropolis Area Coordinating Metropolitan District ("AACMD") (formally known as Green Valley Ranch East Metropolitan District No. 1), Aurora Highlands Metropolitan District Nos. 1-3 (formally known as Green Valley Ranch East Metropolitan District Nos. 2-4), Green Valley Aurora Metropolitan District No. 1 (formally known as Green Valley Ranch East Metropolitan District No. 5), and Green Valley Ranch East Metropolitan District Nos. 6 and 7 (collectively the "Districts"). It is anticipated that the Districts will enter into an intergovernmental agreement which shall govern the relationships between and among the Districts with respect to the financing, construction, and operation of the regional public improvements. The District's service area is located in Adams County, Colorado, entirely within the City.

On November 2, 2004, the District voters approved a mill levy increase to generate property taxes of up to \$5,000,000 annually to pay, in part, the District's general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2005 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized for all services and improvements was \$2,405,000,000, but the District's service plan limits the total debt issuance to \$200,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the regional public improvements, and the repayment of the associated debt.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

**GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 8
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 7% of the property taxes collected.

Interest Income

Interest earned on the District’s available funds has been estimated based upon an average interest rate of approximately 4%.

**GREEN VALLEY RANCH EAST METROPOLITAN DISTRICT NO. 8
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Intergovernmental Transfers

The District has budgeted a transfer of its net 2024 revenues to Second Creek Ranch Metropolitan District (SCR). SCR will provide all of the administrative and operating expenditures for the District, which include the services necessary to maintain the Districts' administrative viability such as legal, management, accounting, insurance, banking, and meeting expenses.

Debt and Leases

The District has no outstanding debt. Additionally, the District has no operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since the District transfers all TABOR eligible revenue to SCR for the payment of the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. The Emergency Reserve for these funds is reflected in the budget of SCR.

This information is an integral part of the accompanying budget.
